

# DUP

- Successful outward-looking knowledge-based economy in Northern Ireland
- Ease of trade with the Irish Republic throughout the European Union
- Maintenance of the Common Travel Area
- Strengthened relationships across the four components parts of the United Kingdom with no internal borders
- Northern Ireland-specific solutions achieved through active Executive engagement
- Particular circumstances of Northern Ireland with land border with the EU fully reflected
- Frictionless border with Irish Republic assisting those working or travelling in other jurisdiction
- Progress on new free trade deals with the rest of the world
- Comprehensive free trade and customs agreement with the European Union
- Northern Ireland established as a hub for trade from Irish Republic into the broader UK market
- Custom arrangements which facilitate trade with new and existing markets
- Confidence and capacity within local businesses to maximise opportunities
- Business to retain competitiveness and not face additional costs
- Arrangements to facilitate ease of movement of people, goods and services
- Proportionate regulatory regime which can promote competitiveness, with legislation to suit our local needs
- Local input into new UK agriculture and fisheries policies which can offer sustainability and new growth opportunities
- Particular importance of agri-food sector to Northern Ireland economy recognised and reflected
- Strong protections for agri-food to guard against vulnerabilities to cheap inferior imports
- An appropriate support programme for our farmers should continue after we leave
- Effective immigration policy which meets the skills, labour and security needs of the UK
- Rights of British citizens in the EU and those from EU member states living here safeguarded
- Energy market stability
- Effective, time bound transitional arrangements where necessary
- Higher and further education continuing to attract international expertise and collaboration
- Ability to opt-in to EU funds where proven to be cost-effective and add value
- Continued participation in funding programmes that have been proven to be of benefit and are open to non-EU members e.g. research funding
- Fair share for Northern Ireland dividends from leaving the EU
- UK wide skills and infrastructure should be established to lead with an emphasis on regional specialisations
- Jurisdiction of European Court of Justice ended and greater control over our laws restored
- Positive ongoing relationship with European Union in keeping with Article 8 of Lisbon Treaty.

# Sinn Féin

- Special status for the North within the EU
- Protection of the peace process
- Access to EU Single Market
- Remain part of the Common Travel Area
- Maintain all EU Funding streams
- Protect EU access to employment, social security and healthcare
- Workers' rights and conditions
- Environmental protections and continued high standards in relation to climate change
- The North to be designated special status within EU to safeguard your rights and access to the European Court of Human Rights
- Continued political representation for the north of Ireland within the EU Parliament and ministers from the Six County Executive should continue to attend EU Council of Ministers' meetings, when necessary
- Special provisions to allow the North to seamlessly resume full status within the EU in the aftermath of a successful Irish Unity referendum
- Continued free access to health care across the EU
- Continued access to EU- wide research opportunities
- A transitional agreement to bridge the gap between the Brexit and final agreement on a new British-EU trading relationships with phased implementation of new relationships
- Ensuring EU energy and Infrastructure programmes look at the needs of the island of Ireland as a whole
- A range of fiscal measure to mitigate the disastrous impact of Brexit, including changes to EU fiscal rules, exception to EU State Aid rules, a new Brexit Solidarity Fund and broadening the scope of the Globalisation Adjustment Fund and other funding opportunities.
